

CALL FOR VIDEOS

Submission Instructions for videos

We are pleased to invite you to submit your video to **47th Annual International Congress of the European Hernia Society**. Video must be submitted exclusively via the [online platform](#) available in two steps.

Video Presentation Submission Process

1. Send Your Video

This step is necessary to initiate the submission process.

Start by sending your video file via SwissTransfer: [Click here](#)

- Upload your video
- In the Recipient field, enter the address: **video@ehs2025.org**
- Click on Send

2. Receive the Submission Link

After sending your video via SwissTransfer, you will receive a unique link by email within 1 to 2 hours (weekdays only). This link includes access to your video hosted through a player.

Please make sure to keep this link, as it will be required during your submission.

3. Create Your Submission Space

Follow [the link](#) to access the platform where you will create your submission space.

This platform allows you to submit the summary of your video along with the link you received. No review will be possible for submissions made outside the platform. It is essential that you submit both your summary and link through the platform.

4. Enter the Link in the Submission Field

Once your submission space is set up, copy the link and paste it into the specified field on the submission form to finalize your entry.

Following these steps carefully will ensure your video presentation is submitted successfully.

Abstract

Extensions allowed: PNG, BMP, GIF, JPG, JPEG. Max size: 3 MB 0 pixels, 0 pixels.

Submission timeline

Deadline for video submission	January 20th, 2025
Notification of acceptance/rejection	Early March

Title of presentation

Please choose a brief title that clearly indicates the content of the contribution. Please avoid abbreviations in the title. Abbreviations may be used in the text if they are defined when first used.

Principal author

Name, email, institution, city and country. In instances of multiple authorship, the person whose name is listed first is expected to deliver the presentation.

Co-authors

Their names, email, institution, country

Theme

1. Incisional hernia
2. Inguinal hernia
3. Primary ventral hernia
4. Lateral incisional hernia
5. Parastomal hernia
6. Hiatal hernia
7. Biomechanic
8. Others

Presentation Format:

- Video

Please note that presenters of accepted abstracts are required to register to present their abstract.

Content of abstract

The body of the abstract shall be concise with a maximum of **100 words**. The abstract system will not accept abstracts that are in excess of the **100-word limit**.

Titles shall be as brief and concise as possible, but with enough detail to ensure a clear understanding of the study context.

An abstract must include the following information:

- The aim, materials and methods, results, and conclusions should be clearly stated
- All abbreviations must be defined in first use
- Avoid text in bold or italics
- Use single line spacing
- Statements such as, “results will be discussed” or “data will be presented,” will not be accepted
- Omit references and acknowledgements at the bottom of the abstract page

Submission guidelines

- Abstracts are required for ALL video presentations
- Video & Abstracts shall be submitted by **January 20th, 2025 (23:59 GMT)**
- Abstracts must be written in clear English
- Please note, a video session can be scheduled on any day of the conference
- Video & Abstract titles should be brief and reflect the content
- Ensure that your abstract is grammatically correct and free of typographical errors
- Please check the presenting author when you type the author information online
- If you do not receive an e-mail confirmation, it means we have no record of your submission. If you are sure that you made a submission, check the e-mail address that you used to make your submission
- The presenting author will be underlined in the program and serve as the contact for further correspondence with authors
- Withdrawal of video will only be accepted if notification is provided to EHS Paris 2025 in writing, and subsequently confirmed by the Conference Secretariat. Withdrawal of a video is only possible up to 14 days after notification of acceptance
- Generic names must be used for all references to products or companies. Brand names may be inserted as a reference at the bottom of the abstract page. Videos and Papers containing company names or brand names in the abstract text may be rejected. The Scientific Committee reserves the right to replace any brand name with a generic name without further notice

Video presentation – additional information

- If you are submitting a video presentation, please mention "EHS video" and your surname in the "Title" box
- The body of the video abstract shall be concise with a maximum of 100 words
- Please provide a written summary outlining details of the operation you wish to demonstrate as well as the applicable clinical scenario. You are required to upload a video file that shall be around 3–4 minutes long in readable format (mp4, mpeg, mkv, avi, mov, divx, vob). Other formats will be considered if the video is readable
- Movies will be marked on innovation as well as unique and interesting cases and clinical scenarios
- We welcome both open and minimally invasive techniques and will allocate presentations from a broad range of countries in consideration of their respective resources
- Submissions shall be reviewed based upon abstract text and video
- Accepted presentations may be asked to upload the video again. EHS Paris 2025 will provide additional information
- Videos that are uploaded for other types of abstract presentation (oral or poster) shall be deleted and not assessed with the text abstract
- **Video Max. duration 4 minutes**
- **Video Max. size: 500 MB**
